**\*\* INTEREST CHARGE CALCULATION:** *The balance used to compute interest charges is the unpaid balance each day after payments and credits to that balance have been subtracted and any additions to the balance have been made.*

Attention: Members with Traditional, Traditional Beneficiary, Roth and Roth Beneficiary IRAs:

Federal regulations require us to provide notice regarding withholding elections on your IRA distributions. You may incur tax penalties under the estimated tax payment rules if your payments of the estimated tax and withholding are insufficient. Your withholding election remains in effect for any subsequent distributions unless you change or revoke the election. If you want your current withholding election to remain unchanged, no action is required. You may change or revoke your election at any time. If you want to change your withholding election, complete the appropriate form provided by your financial organization. Withholding from IRA payments, when combined with other withholding, MAY relieve you from payment of estimated income taxes. However, your withholding election does not affect the amount of income tax you pay.
